UNDER 37 C.F.R. §1.97 & §1.56

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to the references **C04-C06** listed on the attached revised PTO-1449 Form. Copies of references **C04-C06** are enclosed.

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited" instead of an "Information Disclosure Citation in an Application".

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(c)(2), since this Information Disclosure Statement is being filed before the mailing date of any of a final action under § 1.113, a notice of allowance under

§ 1.311, or an action that otherwise closes prosecution in the application, the fee required to be filed with the accompanying Information Disclosure Statement has been estimated to be \$180.00.

However, should the Patent Office determine otherwise, please charge the required fee to Jones Day Deposit Account No. 503013. A copy of this sheet is enclosed.
